

Consent form for a study that follows respondents for a period of time

(To be translated into XXXX, XXXX, XXXX)

Principal Investigators: XXXX, XXXX, XXXX

Field Team: XXXX, XXXX, XXXX

Unique ID: _____

I have read or had explained to me by _____ the information sheet concerning the study on farming practices in which I have been asked to participate

I have had the nature and purpose of the research explained. I believe that I understand what is being proposed and what will be required of me if I take part in this study

I have been informed that data collected in this study will be used for research purposes, in publications and to generate policy briefs. I understand the data will be made public but anything that identifies me or my family will be removed before it is released.

I understand that my personal involvement in this study will remain strictly confidential. Only researchers involved in the investigation will have access to identifying information.

I have had the opportunity to discuss the details and ask questions about this information. My questions have been answered by _____. I received satisfactory answers to all my questions

I understand that participation is entirely voluntary and that I may withdraw from this study at any time without giving a reason and that this will be without detriment to any care or services I may be receiving or may receive in the future.

I agree to the arrangements described in the information sheet so far as they relate to my participation and hereby fully and freely consent to participate in the study which has been fully explained to me.

I have received a copy of this consent form and the accompanying information sheet.

Participant's signature/thumbprint or other sign: _____

Signature of project staff: _____

Date: ____ / ____ / ____ (day/month/year)
